

designed for scientists

## RV 10.110 Glassware vertical with enlarged surface, coated

/// Data Sheet

Highly efficient coated vertical condenser suitable for all applications where a larger surface improves the distillation performance.

- 3000 cm<sup>2</sup> surface
- 3 cooling coils to avoid chimney effect
- Small space requirement

designed for scientists

**Technical Data**

---

Cooling surface [cm <sup>2</sup> ]	3000
Weight [kg]	1.59
