

Sample Vials

Features

- 6 vial cap colors (blue, red, yellow, purple, green and white).
- The vial cap color corresponds to the product code, which means that each code indicates a color.
- Made of transparent polymer polypropylene (PP).
- Special knurling design enables the vial to be stuck in the special base and tightened with a single hand.
- The flexible O-ring in the screw cap ensures safe closure of the micro spiral vial and a sound sealing effect.
- Maximum resistance to the centrifugal force reaching 20000xg.
- Electron Beam Sterilization, SAL=10⁻⁶
- No chemical residues.
- 100,000-level Clean Workshop Production.
- DNase-free, RNase-free, pyrogen-free, endotoxin-free.

Six Cap Colors

External Thread, with Sealing Ring

Cat.No.	Description	/Pack	/Case
